The Council may recommend training to further develop skills of the Clerk or other employees as a result of assessment or appraisal. This should be done through formal and informal discussions.

The Clerk is expected to keep up-to-date with developments in the sector, suggesting any specific training required.

Annually, a review will be undertaken during the budget process to ascertain any weaknesses or potential areas of improvement that the Parish Council could enhance through training.

An agreed budget will be put in place to cover training courses, annual subscriptions and purchasing of relevant publications.

EVALUATION AND REVIEW OF TRAINING

All training undertaken by councillor or employees will be noted by the Clerk.

Following training, the person will report back to the Clerk, Chair or Council the relevance of effectiveness of the training supplied.
